Wiring Instructions (Domestic and International)

RECEIVEING A WIRE (INCOMING WIRE)

To receive an incoming wire transfer, you will need to provide the sender with the following information:

WIRE FUNDS TO:
Corporate One Federal Credit Union
8700 Orion Place
Columbus, OH 43240
ABA Routing Number: 244084264

TO CREDIT:
Trax Federal Credit Union
Tampa, Florida
Account Number: 263183049

FOR FINAL CREDIT TO:
Member Name: _____ Account Number: _____
Type of account: Checking   Savings   Other

Note: for originating wire transfers to your account from an international bank, Corporate One Federal Credit Union does not have a **SWIFT** code to receive international or foreign wires directly. Wires originated from a foreign bank it must route through an intermediary Domestic Financial Institution.

SENDING A WIRE (OUTGOING)

To send an outgoing wire transfer, you can request paperwork and assistance from one of our branch locations. To send an outgoing wire your will need to know the following:

Name of Financial Institution
         ABA (Routing Transit Number)
         Account number
         Name and Address on the account
If you have any questions and need assistance with incoming or outgoing wire transfers please stop by a branch or call Member Services at (813)800-TRAX or (800)769-1424 press 0.
